**Idea description**

<b>Title:</b>	Supporting the economic agent by offering firewood to the employees of the cafe in the central park in Edineț municipality and hiring 3 employees for park care works
<b>Idea objective</b>	<ul style="list-style-type: none"> <li>Supporting the economic agent to keep the jobs of the employees during the pandemic crisis, by providing firewood as a form of remuneration for cleaning works in the park and later by subcontracting 3 of them by the mayor's office for landscaping works in the Public Garden "Vasile Alecsandri".</li> <li>Due to the collaboration between the mayor's office and the cafe, several food products were collected from the economic agents operating in Edineț municipality, and the cafe ensured the preparation of 69 lunches for a month for the people severely affected by the pandemic</li> </ul>
<b>Sharing process (max 1000 characters)</b>	<p>Step 1. For the purpose of the seasonal cleaning of the "Vasile Alecsandri" Public Garden in Edineț municipality, in December 2020, volunteer activities were organized by the mayor's office, at which a total of 27 people participated. During these activities, 5 employees of the cafe were also involved.</p> <p>Step 2. Following the collaboration / discussions between the mayor's office and the economic agent, the wood resulting from the cleaning of the park (which is a large one - 44.5 ha, with various species of trees) was offered to the 5 employees of the cafe, so as due to the pandemic the economic agent has difficulties in paying salaries to the employees. A total of 80m2 (firewood) was offered.</p> <p>Step 3.</p>

	<p>The mayor's office has concluded employment contracts with 3 people who also work in the cafe, so that during the pandemic the employees keep their work and salaries. The employment contracts refer to maintenance/cleaning works in the "Vasile Alecsandri" Public Garden. Thus, 1 person was employed full-time, and 2 people - part-time, for the period 12.01.2021 - 31.12.2021 (Mayor's order no. 6-C, 10-C, 11-C of 12.01.2021).</p> <p>Step 4. Due to the collaboration between the mayor's office and the cafe, a lot of food products were collected from the economic agents operating in Edineț municipality (as donations), and the cafe ensured the preparation of 69 lunches for a month for the people severely affected by the pandemic (old people, sick people, isolated people, etc.).</p>
